ADMINISTRATION AND FACULTY

Mrs. Bessie G. Walker

THANK YOU MRS. WALKER

This year PHS will lose one of its most valuable assets — Mrs. Bessie Griffith Walker.

Mrs. Walker graduated from PHS in 1947, attended Bluefield College, and received her undergraduate degree in Education from James Madison University in 1951. Her Master's Degree in Administration and Supervision was conferred at Radford University and post-graduate work was done at the University of Virginia. Mrs. Walker accepted the position of Supervisor of English for the Virginia State Department of Education at Radford.

In 1955 she returned to PHS as a classroom teacher and during the following years, until 1966, when she accepted the position of Supervisor of English for the Virginia Department of Education at Radford, Mrs. Walker was very active in all aspects of school life. In 1967 she returned to PHS again as a classroom teacher until 1971-72 when she became the principal. During the years 1972-1987 Mrs. Walker acted as assistant principal. In 1987 she again became principal and has served in this capacity through this year.

Her credentials are very impressive and she is well known for her work in the field of English. She was one of the teachers responsible for the development of the Humanities program which achieved national recognition when Mrs. Walker along with the other teachers presented this program at the National Council of English Teachers Convention in Las Vegas, Nevada.

Those of us who have worked with Mrs. Walker think of her as a friend whose dedication to education and whose professional as well as personal integrity has had a lasting influence on the lives of countless students and colleagues.

Teacher-Administrator-Friend, perhaps our feelings for this very special lady are best expressed in the words of the great writer Cicero,

Not only is there an art in knowing a thing,
but also a certain art in teaching it.

Thank you Mrs. Walker for sharing your art with us these many years.

The 1991 Wigwam Staff has had a wonderful experience this year. We saw a championship football team and the community support that followed with it. On a much sadder note, we saw America join in the Operation Desert Storm. We proudly acknowledge those young men and women who are protecting and supporting what we believe in. We pray to the good Lord above they will all return home safely.

On a more personal note, I would like to thank the wonderful staff I supervised this year. Each and everyone worked hard to make this the best yearbook ever!! I would also like to thank Ms. Rita Haun for helping with the yearbook this year. We sincerely hope you enjoy the edition of the Wigwam and that it will bring many pleasant memories over the years.

Thank you,
Sue Ellen Presley
and the Wigwam 1991 Staff

Upward Bound is a program founded by the U.S. Department of Education. Its purpose is to encourage and prepare high school students to pursue a college education. It provides counseling, information on colleges and universities, tutoring, cultural activities, and university experience. For six weeks each summer you can live on campus at Virginia Tech and participate in academic classes, enjoy sports and other group activities, and participate in the choir and a talent show. You are eligible for this program if you are in high school but have not entered the twelfth grade. It requires that each student attend two Saturday tutorial sessions at Virginia Tech and participate in the summer program.

The Tazewell County Academic Conference consists of 4 teams, one from each high school in the county. Each team is comprised of no more than 30 students from grades 9 through 12. The students compete in teams of 4 in the academic areas of English, Mathematics, Science and Social Studies. There is also an All-Around team which combines all of the academic areas. There are 2 games against the other 3 high schools, one at home and one away. The season ends with an awards banquet.

The 1991 Pocahontas High School Academic Team had 8 seniors, 4 juniors, 6 sophomores and 8 freshmen. These 26 students put in extra time after school practicing for the competition which took place in March and April. The 1991 coaches were English — Betty Gentry, Mathematics — Nancy Campell, Science — Linda Trigg, Social Studies — Terri Cole, All Around and Head Coach — Catherine Steinberg.

The 1990 Pocahontas High School Indian Football Team far exceeded everyone's expectations. In the two previous seasons the Indians were 4 and 16, but this year's team stunned everyone with a dazzling 9 and 2 season. This season included a VHSL playoff berth game. Even though the Indians lost their playoff game, they should be congratulated for providing hours of entertainment and bringing together everyone in the Pocahontas region, and instilling a sense of community pride.

BEFORE YOU SIGN THIS AUTOGRAPH...

In ten years, I want to be:

Signed,

THINK ABOUT WHAT YOU'RE GOING TO SAY.

Deciding on a career may seem like something you can always put off until tomorrow. But the best time to begin planning your future is now. Because the earlier you start studying for your career, the better your chances of being successful.

Careers in health care can be rewarding, both personally and financially. The opportunities for advancement are excellent, and good jobs are available almost anywhere you choose to go.

Training for the health related fields listed below is available through local colleges. And Princeton Community Hospital can provide student loans to assist with your education in some health-related careers.

MEDICAL TECHNOLOGIST—Provides vital analysis to the physician for use in diagnosing illnesses.

RADIOLOGY THERAPIST—Provides diagnostic information through the use of x-ray equipment.

RESPIRATORY THERAPIST—Provides vital diagnostic testing and therapy for cardiac and respiratory patients to aid in their recovery.

REGISTERED NURSES —Provide direct care for the health and well-being of all patients.

If you are interested in a health-related career, contact the Human Resources Department at Princeton Community Hospital at 487-7507 or 325-5459, ext. 507.
